“ To Kitty's family, loved ones and friends, I am deeply saddened that she has passed. I knew her when we all were together years ago.. I had been trying to get in touch with her to share memories and wonderful conversations like the last one we had over a very long lunch in St. Augustine, Florida several years back. Kitty was smart, full of life, and very knowledgeable on many things. She was fun to be around. She was a good cook and shared her lasagna recipe with me. The recipe was also published in a cookbook by Ludlow United Methodist Church. Kitty was a very special person and I am so glad our lives crossed paths. Those that were close to her are blessed. May God bless and comfort you and make you strong.
