“ *Barb LaVelle was my “host mom” during my years at Festival 56, from 2008-2011. Her home became my second home and I looked forward to my summers in Princeton not only for the work, but also for the time that I could spend with this wonderful woman.*

She was such an inspiration and I truly admired her - she will be greatly missed.

Sending love and condolences to Margie, Paul, and Margaret.

With love, Kate Bashore
