“ Bonnie was a dear friend of our family. My mother (Sarah Skinner Council), MaryLu Nelson and Bonnie were all best of friends and grew up in Princeton. Tady and she become great friends to my Father. Whenever I was back in Princeton, I tried to see Bonnie and Tady; really enjoyed our conversations and "catching up" on "things". I will miss those conversation! She will be missed.

“ Mrs. Schutt would find it amusing that I would write that I'm at a loss for words at this notice. Without exception, she was the best English teacher I ever had. Tough as nails, demanding perfection and diagram, diagram, diagram! I saw her in a cafe in Princeton once and I sat with her and her sister. I proceeded to tell her that I got a Bachelor's in English because of her. I told her that she was an amazing teacher and influence on my life. Her sister said she'd never hear the end of it!

Thank you Mrs. Schutt for a life of writing and a love of reading!!!
