“ *Brenda, you are one of a kind! Such a beautiful soul. No matter what you faced, you faced with the glow of Jesus. You have been such an inspirational servant of our God. I have been blessed that God allowed our paths to cross years ago. I know that you are now pain free and singing and dancing with the Angels. My prayers go out to all your family and friends as they go through this process of missing you and that they find peace and comfort knowing that you are in a beautiful place and will be able to see you again, someday. Love always, Connie!*

“ *Brenda thank you for always being there for me when I had so many questions. Don't know who will take the interest like you always did. Thanks for all you did for those afflicted with MS in this area. God needed you more than all of us. My prayers to your family as they navigate through life without you. ❤️🌹🙏*
