

## Christine A Staton

August 26, 1960 - December 8, 2022

Princeton - Christine L. Staton, 62 years old, passed away on Thursday, December 8, 2022 at Heritage Health in Walnut, IL.

Christine was born in Princeton, IL on August 26, 1960 to Leonard and Alice (Gabelmann) Lourdeau. She was a graduate of Princeton High School, Class of 1979. She worked at Hornsby Department Store, Allen's Lumber, Gateway Serves and in home daycare.

She loved all animals and was amazingly patient and kind. She loved playing with her grandchildren and taking them on adventures which included bowling, walking around looking at the birds or day trips. She also loved a good adventure with her friends and family. A few being longer than others. She loved to go to Colorado or spending the day in Chicago. She even lived in Germany for some months, until she was being looked for by the police, that's a bit of a longer story.

Christine is survived by her two loving sons, Joseph Staton and Benjamin Staton; two brothers, Louie (Janene) Lourdeau and Keith (Alison) Lourdeau; as well as her fluffy monkey grandchildren Rowan, Rhett and Collyns.

Preceding her in death were her parents, Leonard and Alice Lourdeau as well as her grandparents.

“ I am already terribly missing our sweet Christine, a dear friend of some 45ish years. She easily lit up a room with her hearty and joyous laughter. It was music to many ears. She kept me/us laughing with an occasional snort, and even made me chuckle in the last days of her life. She had a heart of gold, and showered me with comfort, during some of life's difficult times. Cancer robbed me of my dear friend, and I told her on one of those last days, that cancer sucks, and how unfair it was/is that we will not get to journey through the rest of our days together. To Joe and Ben, and to all who loved Chris, I wish us all strength, light, comfort, and mostly L   VE, as we all learn to navigate life without her in it. Peace!
