“ I know this is a little late now being mid May. But I just learned of this. I'm very sorry for your loss. Prayers and thought are with you. I only met David once at his son Matt's Funeral. I worked with Matt off and on for the past 4-5 years. I'm sure David was a lot like Matt. I thought a highly of Matt. Very intelligent, personable and was always happy to explain and talk about the Science behind his work. I'm sure both are missed very much

“ I Norman Wessel am shocked about the news of the death of David Anson. We lived as neighbors of the Anson's for many years, and i recall the boy's riding there motorcycle in the ditch along the road between them and us, and all so my David & Julie we friends also. So I pray that he has received his reward in heaven and is with Jesus for eternity. I also pray that God will bless the family in this time of sorrow. This is God's world and he has a plan for all of us, so we must be ready for Jesus may come for us any day. So you have my deepest sympathy, and hope to see Dick & Fran when I get home in the spring if it is God' will.
God bless you Norman Wessel
