“ *David was such a kind soul. When I lived with Judy; David came to live with us for awhile and I used to love talking with him. He was super smart - we would discuss all topics. He was unique and loved by anyone who knew him well. God Blessed the Earth with him.*

“ Quiet and unassuming, practical and witty, soft spoken yet well spoken, patient out of necessity for the “lot” he hung out with when we were younger and kind “ beyond all measure” . David was no follower and preferred to lean whichever way the wind may have blown. He truly was a most gentle, sweet soul and I wish I had seen him one last time.. It had been 15 years easily at Nancy’s house since I last saw him. I won’t worry about that however because I know we’ll meet again David’s is a light that won’t soon be extinguished . My heartfelt condolences to the Mugs Family. Sending Love, Light and lifting you all in prayer.
