“ *Deb had a great send off on Feb 13th, with the Mass at St Louis Catholic Church, Fr Daniel Gifford had a beautiful sermon to encourage us to grow in our relationship with Christ. Marty Funfsinn , Deb's younger brother gave the Eulogy which was very humorous, joyful and full of life. He nail his sister personality but also her deep devotion to the Lord. Our Family would like to thank all those who sent flowers, share your prayers, came to the WAKE AND FUNERAL in-spite of the Ice storm, snow and white out conditions.... The Mass with Fr Gifford gave us closer and the Peace that passes all understanding. We like to thank Fr Pat DeMeulemeester who participated at the mass, who was Deb's spiritual director. Also, Deacons Dennis Gillan and Deacon John Murphy.*

“ Deb always had a smile on her face! She was willing to help, no matter what kind of day she was having. She was such an asset to the MTM family. I just ran into her a couple of weeks ago after not seeing her for several years but she was the same ole Deb-Happy, smiling and joking with me. I will never forget her. My prayers are with her family and know that she is resting in the arms of her Savior.

“ My prayers and thoughts go out to all who knew Deb. She truly was "Jesus with skin on" to everyone who knew her. I served on a few TECs with Deb. She was an awesome musician and could really get the group singing! I remember at one particular TEC she broke her toe...did it stop her...NO! After a trip to the doctor, she was back playing guitar! What a loss it is for the whole TEC family, her own family and all who called her 'friend'. You are all in my prayers.

“ I worked with Deb at MTM Recognition in Princeton and she is truly a small but mighty person in Faith and work ethic. She was always good to people and willing to speak her mind about do's and don'ts in getting you to where you needed to be in the Lords eyes. She was a joy to be around and we all missed her when she left us to go to her new position. To the family, I am sure she left many memories also and I would like to send my sympathy and prayers to all. She is truly a guardian angel now.
