“ I was shocked to hear of Debra's passing. She was my HMR counselor when I was struggling so hard with my weight. She used to live behind me in Effingham. We would go for many walks in our neighborhood. She was such a kind and gentle person. I did drive up to Princeton to see her after my gastric bypass so that she could finally see me thin. I am so glad I made that trip. She cried when I left and it saddens me deeply that I did not get back to see her again. My deepest condolences go out to her family. She was a wonderful person.

“ I am hoping this is the correct Deb Pierson. I would like her family to know that I have rescued both of her 13 year old cats and that they will be well taken care of. I hope this provides them with some peace.

“ I remember Deb as well with her outstanding Baton Twirling skills. More importantly, I remember Deb as a very kind, compassionate, and caring individual. She had a heart of gold. I don't ever remember Deb saying one negative thing about anyone, or any person. Deb was more quiet, but always encouraging. A wonderful smile, and her presence filled a room with a sense of peace and joy. Prayers to family & friends for a life taken far too soon. My deepest sympathy.
