“ I remember Dennis and Kathy from their time at Illinois Valley Community College. I had some wonderful conversations with them as they were ending their night shift, and I was starting my day. Dennis was someone I admired for the work he did and the wonderful person he was. My sincere condolences to Kathy and the family. Rest in peace, Dennis.

“ Rest easy uncle Jug. I always had an enormous amount of respect and admiration for you. I remember when I was young I challenged you to a race up the hill by your house thinking there's no way you could beat me... and you blew me away. When i was little 4th of July at your house was always the best night. You were a great guy

“ 4 years ago I reunited with your son. After years and we became a family and from day 1 you treated my kids like they were no different then your blood family. You treated us all like we had been there from the start. You were there at every single doctor appointment for the twins with throughout the whole pregnancy and every one after. Showing me the amazing love you had for your grandchildren and family. I definitely couldn't have asked for a better father in law. And for that you will forever and always be my Gus Gus
