“ Please accept our sincerest sympathies. I worked with Diana at Flowers by Julia and I always enjoyed her pleasant and upbeat personality. She was an outstanding designer and put her heart into everything she created. Jeanie and Vince Gelsomino

“ *My beautiful sister-in-law what a sad loss to this world but Heaven's gain. I remember with such fondness the quiet times we shared when you told me childhood stories about your baby brother and the things you all would get up to. What a great sense of humor you had and how I enjoyed laughing with you. Your talent with nature was beyond reproach and no one could arrange a bunch of flowers like you. Even though you brother and I went our separate ways, I was then, and am still today, proud to call you the best sister-in-law a family could have. Much love always Lady Didi.....Frances xxx*
