“ I am so saddened to hear of Diane’s passing. She was a wonderful lady, so full of life. She had a heart of gold and was always lifting up her patients. My mother was in her care at Liberty Village . She took my mom under her wing from day one. Diane took the time to chat with mom about the people they both knew in the Oglesby area. I have many fond memories of Diane and will never forget the kindness and compassion she showed my mom, as well as many others. My thoughts and prayers remain with your family.

“ I met Diane and Berta for the 1st time when we were all about 7 years old. We had some really great times together over the years, raising our kids together, going out and having so much fun. She was always laughing and it was so catchy. She made everyone else laugh along with her. Heaven truly did get another Angel❤️
