“ May God's comforting arms and His peace be with all the family of Dianne Lund and her very special friend Dean Yelm during this difficult time of loss. Dianne was such a sweet lady and I appreciated visiting her at her home in Princeton. The later years were more difficult as her body began breaking down and she was moved to Colonial Hall. She is now with her Savior, Jesus, and family members who have gone on before her.

“ Thinking of all the family! To Dean, my dear neighbor, I know how much she will be missed and I know how much she enjoyed your company! I am thinking of you! She was always happy and smiling and I just enjoyed a short visit with her at colonial hall.

“ We knew Diane from Colonial Hall. She was our Mom, Joy's, table mate for quite awhile. She always made sure that Mom's wheelchair was locked.
Sending thoughts and prayers to her girls and to Dean. We always admired how devoted Dean was.
