“ I had the privilege and pleasure of working with Don for 7 yrs. at PCI in Spring Valley. As we worked right next to each other we shared many stories, recipes, food and good and bad times. We worked numerous overtime hours and Don use to tell me he spent more time with me than Andy. I want you to know Beth, Patrick and Julie how very proud he was of all of you and how much he loved and adored each of you. I can still remember when John was born and what a proud Grandpa Don was. Andrea you were the love of his life and I was so happy to meet you on several occasions. I wanted you all to know how very much this man meant to me and how he made my work life so much easier. I drink a toast to my dear friend today and I will do a scratch off ticket for him one last time. God speed Don. You will always be remembered.
My heartfelt sympathy,
