“ *So many wonderful memories over the years coffees, shopping, sharing, the couples out for dinner & their 4 little boys & our 4 girls playing hide & seek ; it was always extremely quiet for the first few minutes-then great friends laughing. I'm grateful for such a good friend & glad to talk on the phone and had a good visit seeing her this past December. She was a blessing💕💕 I'll miss her*

“ *I remember when I was young going to Uncle Dick and Aunt Fran's farm. The meals we used to have and playing with my cousins. A few years back Mike and I stopped and saw Dick and Fran, when I was back. Glad we got the chance. John Hubbard*

“ My fragile Franny. I know you're in heaven and no longer suffering. I will miss you my dear dear sweet lady. You used to have some of the most hilarious jokes and sense of humor.

You used to tell me I was one of your favorites and I said I bet you say that to all the CNAs. You said no I don't, I really do like you the most. I'm not going to lie, you made me choke up that day and you were definitely one of my favorites. I miss you dearly, give my sister a hug when you see her up in heaven cause I know that's where you are.
