“ *Bud was a lifelong friend of our Mom, Betty. They went to school together from Elementary School through High School & graduated together in 1950 from PHS! My parents thought the world of Bud & Ramona and their children & my siblings & I, went to school together, too! Dad also trusted Bud to care for all of his many cars throughout the years! I will always remember Bud as such a gentle & kind man. Whenever I saw him, he would always ask how my parents were doing. I am sure that my parents were excited to see him again when he entered the gates of Heaven!! Our family was blessed to have known him! May the Lord bless & be with his family as they mourn his loss- yet rejoice in his Heavenly Homecoming! May you all be surrounded by many precious memories of a life well lived!*
