“ *My big brother Jim was my best friend in the whole world. I followed him around like a shadow, always learning of new things and places and always having so much fun. Even though the pain in my heart over losing him is so intense, I know he was the Best Big Brother anyone could ask for and our time spent together was so precious. Words can't express how much he will be missed but I know that his memory and spirit will always live on through the love we shared. Your Gemini Twin, Little Sis, Deb 💕💕*
