better, for worse, for richer, for poorer, in sickness and in health, to love and to cherish, till death us do part.” He is also preceded by his parents, Ralph and Theresa Allen and one brother George Allen.

“ Sorry to hear of your loss. John was a great guy, always a beaming personality when I would run into him. I did not know him very well, I bought a 1965 Plymouth off of him in the 1980's. But he remembered me from that throughout the years, and would always smile and talk with me. May God Bless now and always. David James

“ Randy, Rick, Sherry, Shelly - so sorry for the loss of your parents. I have fond memories of staying at your house when I was in the 6th and 7th grade to help with babysitting during the summer. One year they surprised me with a ride in a small airplane that was piloted by a friend of theirs. It was so exciting to view the local area from above. As an adult I no longer live in the area but it was always a pleasure when I was back visiting and ran into them.

“ Randy, Rick and family.....My condolences and thoughts are with you, on the loss of your parents. Many memories of growing up watching Fred bowl with my dad, only to be able to join them, I believe, on Monday nights, sometime after high-school. It was always pleasant and fun times. Peace be with you!
