“ Our deepest condolences to Charlie, Chris, Eric, Jennifer, and the Waca and Hultine families. My family has been blessed to be forever connected to Kathy and her family- my father had the privilege to be a groomsman in Kathy and Charlie's wedding and 30 years later I had the same privilege to do the same in their son's wedding. Kathy has left a wonderful legacy of loyalty, service, and unconditional kindness for others. Her legacy lives out in the way her three adult children do the same for others- an exponential gift of love for everyone that she has passed along and will be forever remembered in each and every interaction we have with her family that she loved.

“ I first met Kathy through my late daughter in law Donna when she and Charlie were helping at the first Jay Braidia memotrial golf outing and help they did at all nine of them. They were always so very nice to my husband Jim and me. Their sons were on the church softball team with my late son Jay Braidia too. My thanks and sympathy to Kathy's dear family. God bless.

“ So enjoyed Kathy as a neighbor when the kids were small. We moved to a different house but remember them living on the corner of South Vernon. Years later Eric worked at Champion with Dan. Kathy & Charlie raised a wonderful family. I will miss seeing her smile. With prayers, Dan & Bonnie Thompson.

“ Kathy and I have been good friends since grade school. We not only classmates, but spent time together in Sunday School, Confirmation class, Luther League and church choir at St. Matthew's. I am so lucky we got to visit with each other at the last class reunion I attended. I am proud to say she was a good friend and such a good person. Rest in peace now, Kath. 💕

“ I just loved Kathy Hultine Waca! So many marvelous reasons why! But you are reading this so I know that you too loved Kathy Hultine Waca! You already know every word that speaks of her! Her class, her gentle soul, kindness, great love of family, joyful nature and so much more!

What you don't know is what I will share with you now! Charlie and my husband were new teachers at Bureau Township School! Exactly the perfect school experience we all wished for our child! I tight knit community, the people warm and friendly. Charlie told Jim that he had a girlfriend- Kathy. They dated(went skiing a lot I recall) and became engaged. One of Kathy's relatives had a picture perfect bridal shower for Kathy. We ate & then played games! I won the first prize and enthusiastically opened the gift. Actually I win all of the prizes . I packed up my winnings and Kathy had all of her fabulously thoughtful gifts to contend with. We both packed up and left. By now interested reader , you may be thinking that some was not correct here & you would be correct. I'm not from the Midwest ! I'm from New England and certain traditions vary region to region. Years later I realized what I had done! I kept all of Kathy's prizes myself. No one ever told me differently. I so apologized to Kathy ! She was so sweet and kind. She had never mentioned this episode to me. She was so forgiving and understanding! Just the mark of what an awesome friend she truly was!! Charlie invited Jim to be in his wedding and to stand up with him. Kathy who really was being so gracious invited me to be at the gift table! A gorgeous wedding with Kathy as the centerpiece .Such a stunning bride ! A wonderful day to celebrate two super marvelous people! They really have experienced that lifetime of genuine happiness together! A life filled with love , commitment , family, & joy! Wow KAty! You have had for sure the life most people dream of ! I am so blessed to have witnessed your entire 51 years of fulfillment together with Charlie! You will be so missed! May you Rest In Peace and Rise in Glory!
