“ *Kay was one of my best friends in HS. I was very selective; I only had two others. We had a lot of wonderful conversations in school and at our class reunions.*

Best wishes to her friends and her family.

“ *For 9 years, I was little K to her big K. Many outings to Peoria prepping our dealership Christmas party (I drove, she watched for deer :)). She introduced me to Fish House and Sheridan Village. It was she that delivered the news of Don's death, I will never forget...and, I always got a hug if I bumped into her She always spoke with pride of her sisters and nephews family. So many times over so many years, I have wanted to just pick up the phone and just touch base with/check on her and didn't...*
