Our favorite things about Tyson were his huge heart, how he would do anything for anyone. He was very witty and funny and could tell amazing stories, his smile and laugh were contagious. He loved going fishing and was very outdoorsy, even preserving his own antlers. He loved cooking and was quite good at it. He enjoyed tinkering in his shop and the daily visits from friends and family who would stop by to check on him, say hello or hear a story.

He always told his family he loved them and was not ashamed of being proud of that.
