“ Kyle,

I can't even believe that I am writing this right now. I wish I could go back in time and change so much.

You were my support for many many years and your time on Earth shouldn't have ended so abruptly.

I miss you so so much... I keep thinking it CANT be real... yet somehow here we are.

I hope you are at peace and with Grandpa.. I honestly do.

These have been the longest few days of my life and it seems to just be getting harder knowing this isn't a mistake..

I love you Kyle SO much and I'm sorry if you ever thought otherwise... Please watch over us.

With heavenly love forever until we meet again.

Jessica Ham and all your nieces and nephews.
