“ I worked with Margie at the library. We always found something to create laughter. Now and then our paths would cross and we would chat. She was a sweet, delightful person who I will miss. She adored her family and life. My sympathy to her loving family.

“ *Margie was a customer of my store...Uniforms ETC, downtown La Salle. It was always a joy when she would come in to buy her Nursing uniforms. Over the years, we spent many hours having talks about "everything". So strange, I was just thinking about her a few weeks ago. She did not come in the store for quite sometime. I missed talking to her. I thought maybe she did retire. She was a very special, caring person. Certainly made an awesome Nurse. So sorry for your loss. My thoughts and prayers are going to all family members.*
