“ Oh my beautiful.... Nettie you were one of my first residents and your spunk and sassiness I will miss so much. I miss our talks, you could put someone in there place then some, but turn right back around and be so sweet and keep going with our talks. It broke my heart the day you left and my head knows you're in heaven and not in anymore pain, but my heart sure does miss you Nettiegirl. Give my mom a hug, you two are like peas in a pod.
