“ *Pam was my pen pal since I was 12 and she was 14 - we wrote to each other regularly and shared news about our lives and eventual families. We didn't communicate as much in later years but always sent each other cards - she never forgot birthdays or special occasions. We had hoped to meet one day but now that will never happen - I was shocked to read about her passing - my deepest condolences to her family -*

Rest In Peace Pam - I will miss you -

“ I have so many wonderful memories of Pam. She was a dear friend to me. I loved her like a second mother. We had so many wonderful conversations and laughs over the years. One of my favorite memories was when she and I went on the Christmas walk, it was the most beautiful snowy day. She loved seeing all the homes and different trees. She loved Christmas and was an expert at Christmas tree decorating. We had the best time and many laughs that day. We capped it off with dinner out that night with and her and wonderful husband Rich. Words cannot express how much I loved her and will miss her so 😭

“ I am so very saddened to hear of such a wonderful woman passing. Pam's memory will live on in our youngest son Nathen's middle name "Makade". I remember calling her and speaking of my delima. Our first two son's middle names started with an "M" and we were at a loss of the perfect "M" name for our third son. She on the spot, came up with "Makade"! We loved it and still do! Rest in peace sweet, sweet lady! XOXO
