“ I loved going into General Dollar when your Peggy was there. She was so cheerful. One time I was sick with bronchitis and I told her medicare had denied me an inhaler. She said it eas the same as she used and offered me one she hadnt used. She always helped me with the instore coupons using her phone because it wouldnt load on my new phone. One thing I always teased her about...all though I am older is we were birthday twins born on the same day. Miss you Peg RIP prayers for your family as they go through life without you.
