“ So saddened to hear of Perry's passing. I came to know Perry as an alternate on the Zoning Board and he was very considerate and helpful to the newbie. I considered him a fine mentor. He always gave his all to everything he did and we loved his great sense of humor. He will be missed by all. Prayers for peace and healing during the time ahead.

“ So sorry to hear of Perry's passing. Worked with him at Yellow Freight for several years. My favorite memory of him was when we'd be having a group meeting on the dock and Olivia Newton John would come on the radio singing a song from Grease. Perry would sing and dance, bringing us all to laughter. He'll be missed.

“ Perry was truly a nice, decent person full of love for others, eager to help, and totally enjoyed life/others/making a difference for good/and being a decent human. I only knew Perry for a few years but know I was blessed to experience him and share with him. I know he had physical pain for a number of years and am so sorry that he couldn't find relief. He maintained his god given positive nature and enjoyed life, family, and friendship. Perry is missed but fondly remembered by all who knew him or of him.

“ Perry was a very close friend of our family .. my found memories was going with my dad to the Tobler building and seeing Perry and the many other drivers at work.. he will be missed on Wednesdays at the big Apple family restaurant where he joined his friends for good conversation and I was their server.. I will miss his stories of him and my dad and the good ole trucking stories of long ago..

“Perry was our favorite B Part driver. He took great care of getting my Mom and I to lunch many times when she was at Colonial Hall. We both thought the world of him.

♥ So sorry for your loss . . .

“Please accept my sincere sympathies in the passing of Perry. My Dad, Bob Evelhoch, worked at Tobler Transfer for over 40 years and there wasn't a day that passed without my Dad mentioning Perry and how much he thought of him. He bent over backwards for my Dad, and my Dad and Uncles considered him a good friend. I spoke with him often as a child living at home when Perry would call to let us know where my Dad had to deliver a load after his daytime work hours. My one regret is not connecting with him after my Dad passed away. May God wrap you in his arms and know my family knew what a good man he was. Debbie Evelhoch, Ladd, IL
