“ Oh, my goodness I am stunned and sad and deeply sorry. Ed and I and the kids will always remember all of you so very fondly and that Christmas we spent with you was one of the best ever. We only smile when we talk about it. I believe with all my heart that your mom is beyond happy to be with your dad and brother again. That is what makes dealing with this pain possible. We love you and will be praying for you and thinking of you at this very difficult time. xoxoxo Frannie Pacheco
